THE ALUMNAE ASSOCIATION

OF

SMITH COLLEGE

FOR 1914-1915

PREFACE.

IN content, this third biographical catalog issued by the Alumnae association differs somewhat from the two previous editions of 1905 and 1910. It includes the complete proceedings of the association for the year 1914–15, formerly published in a separate leaflet sent only to members of the association. Lists compiled for the first time are the holders of fellowships, advanced degrees and honorary degrees, and graduate students (other than Smith academic graduates and former students).

The Φ B K membership has been recorded as follows: first, for the classes from 1905 to 1915, who were elected as undergraduates; second, for those alumnae of the older faculty who were elected in connection with the organization and earlier activities of the chapter; third for other alumnae elected for graduate scholarly achievement.

The geographical index of the graduates, published for the first time in the issue of the *Annual Register* for April, 1915, does not appear in this book, but will be published again in the next issue of the *Register*.

In May, 1915, blanks prepared by a joint committee of the Association of collegiate alumnae and the Intercollegiate bureau of occupations in New York were sent to all graduates and former students. This blank was used by nine other colleges coöperating in the plan for a census of college women. During August and September postal reminders were sent to 2,500 graduates whose blanks had not been returned. Many of these responded and for the others information was sought from various sources, such as back numbers of the *Smith Alumnae Quarterly*, class reunion books, and newspaper items. When no biographical information has been received since 1910, the last occupation is indicated as ceasing with that year, though in many cases it may still continue.

There have been 9,384 students at Smith College. Of these 6,279 have received the degrees of B.A., B.L. or B.S. and are eligible to membership in the Alumnae association. Of the 3,105 who have not received academic degrees those who completed a course of not less than one year in the academic department or who are graduates of the schools of music or of art may be admitted to associate membership by vote of the board of directors.

The bibliographical items reported in the blanks have been added to the list in the hands of Miss Nina E. Browne.

It was found impractical to enter in the proof all the changes of address which came to the Alumnae office during the year of preparation of the catalog, but it is felt that the greatest value of the book lies in its biographical information rather than in its use as an address list.

In order that the records for the next issue of the catalog may be as accurate as possible, all corrections, additions or omissions should be reported to the Alumnae office, College hall, Northampton.

COMMITTEE,

Florence Homer Snow 04, *Chairman.*
Elizabeth E. Mann 95,
Agnes Childs Hinckley 01,
Florence K. Root 06.

PLAN FOR NOMINATION OF ALUMNAE TRUSTEES

Adopted June 15, 1912

Graduates of Smith college of not less than ten years' standing are eligible for election to the board of trustees as representatives of the alumnae. Alumnae who are members of the college faculty are not eligible. Alumnae trustees are nominated by the Alumnae association and elected by the board of trustees every other year. They serve for a period of six years and are not eligible for re-election until two years after their terms have expired.

Concerning electors

1 At its annual meeting of each odd year, or at a special meeting called for the purpose, each branch association of the general Alumnae association shall choose one elector to serve for six years, except that at the first election after the adoption of this plan three electors must be chosen to serve for six, four and two years respectively, in accordance with the numbers of their votes. An elector must always be a graduate member of the Alumnae association, as provided in the by-laws of the corporation, Article XI, section 2.

2 The duties of electors shall be:

- a To present at a meeting of their branch association, which meeting must be held not later than December 30 of each odd year, the names of not less than three nominees for each vacancy in the number of alumnae trustees.
- b To forward to the secretary of the Alumnae association before the following January 1 the name of the one candidate for each vacancy chosen by the branch association.
- c To forward to the secretary of the Alumnae association at the same time a statement of the year of graduation of this candidate, degrees received by her, positions of trust or responsibility held and such other facts as may, in the judgment of the electors, be useful to the voters.

3 Only voting members of the corporation, whose annual dues are paid or have been remitted by the president and treasurer, are entitled to vote for an elector or for a nominee for the office of alumnae trustee.

Concerning a committee on nominations

4 The officers of the Alumnae association, consisting of the president, the vice-presidents, the secretary and the treasurer, shall constitute a committee on nominations, whose duties it shall be, on or before December 1 of each odd year, to ask from the electors of the branch associations the names of the candidates of such associations. On or before March 1 of the following year the nominating committee shall select from the list thus obtained and present to the members of the corporation who are qualified to vote for alumnae trustees the names of not less than two, except in the case where but one candidate is nominated by the branch associations, and, except in the case of ties, not more than three candidates, for each vacancy in the number of alumnae trustees. These names are to be chosen according to the number of branch associations recommending them Together with the names of candidates are to be presented the names of the branch associations proposing them, as well as each candidate's qualifications for office. The candidate, or in the case of there being more than one vacancy, the candidates, receiving the highest number of votes of the alumnae shall be presented to the board of trustees for election at its June session.

5 A majority of the board of directors shall act as a polling committee to count the votes. The board of directors may appoint a committee of three or more, whose chairman shall be a member of the board, to act in its place. In the case of a tie, only the two names receiving the same number of votes shall be sent back to the voters for final ballot.

Concerning nomination by petition

6 Members of the Alumnae association who are not members of a branch association, but who are eligible to vote for alumnae trustees (as provided in section 3 of this plan), may nominate a candidate for alumnae trustee by petition. Such petitions must be signed by at least twenty-five such alumnae and sent to the secretary of the Alumnae association, in accordance with b and c of section 2 of this plan. The petition shall be worded as follows:

"We, the undersigned, members of the Alumnae association who are not members of any branch association, and who have not this year cast a vote for nominee to the office of alumnae trustee, do hereby present the name of————————as our candidate to succeed————————as alumnae trustee."

Such petition shall have equal rank with the nomination of a branch association and its candidate shall be so counted by the committee on nominations.

7 An announcement of the year in which choice of alumnae trustee is to be made together with a copy of this plan shall be mailed by the secretary of the Alumnae association to each member of the corporation not later than the November 1 preceding the year in which this choice is to be made.

Concerning a vacancy

8 If a vacancy by death or resignation occurs in the number of alumnae trustees within eighteen months after the regular election of a nominee, a special nomination shall be held according to the plan for a regular nomination, except that the candidate chosen shall merely serve out the unexpired term of her predecessor.

MINUTES OF THE ANNUAL MEETING

June 14, 1915

The annual meeting of the Alumnae association of Smith college was held in the Students building, Monday June 14, 1915, at 11 A.M. About 475 were present. Mrs Alice Lord Parsons 97 presided.

Mrs Parsons announced that the polling committee, Miss Helen Choate 04, Miss Helen B. Story 00 and Miss Rose Hinckley 95 were in the front of the hall and that any who had not already voted by proxy might obtain ballots from them.

Voted: To omit the reading of the minutes of the last annual meeting.

Miss Yeaw, the secretary, took the chair while the president read her report. The report was accepted and Mrs Parsons resumed the chair.

The secretary's report including a report of the council was read and accepted.

The treasurer's report was read and accepted.

The office report read by Miss Florence H. Snow was read and accepted with applause.

The report of the *Quarterly*, read by Miss Edith Hill, editor-in-chief, was accepted with applause.

The report of the Alumnae fund committee read by Miss Grace P. Fuller, chairman, was accepted with applause. It included the following statements:

The board of directors, at their meeting on June 11, voted to endorse the suggestion of the Fund committee to give a sum not to exceed $1,500 to be spent, at the discretion of the librarian, for duplicating books to which students are referred for required reading, for books of general reference, and for the provision of a special bookplate or marking for these books.

The Alumnae council of Smith college wishes to express to the board of trustees, through the alumnae trustees, its belief in the policy of printing from time to time articles of merit that have been written by alumnae and faculty of the college on scholarly subjects, and to assure the trustees of its desire to coöperate with them in the operation of the policy. As a sign of its interest and desire to coöperate, the council, through the Alumnae fund committee, has voted the sum of $50 to enlarge the appropriation already made by the trustees for the printing of a series of monographs embodying the result of investigation in the historical field.

A summary of the annual reports of the Smith chapter of the College settlements association, the fellowships committee of the College settlements association, the committee appointed to secure a seal for the Alumnae association, the Intercollegiate bureau of occupations, and the alumnae trustees was read by the secretary and accepted with applause.

The committee on resolutions presented the following which were unanimously adopted:

1 WHEREAS, on April 1, 1915, Smith college suffered the loss by death of Mr A. Lyman Williston, one of the senior members of the board of trustees, be it resolved that the secretary of the Alumnae association be asked to express to Mrs Charles M. Starkweather, Mrs H. S. Bullard, Mr Robert L. Williston and Mr Harry E. Williston, the sympathy of the alumnae and their appreciation of the great services performed by Mr Williston for the college. From June 19, 1876, he was a member of the board of trustees, serving from June 1888 until the time of his death

as a member of the finance committee. His gifts to the college were numerous and his judgment and wisdom were always at its disposal. In the years of his service on the board, the college grew from a membership of 133 to one of over sixteen hundred, its reputation keeping pace steadily with its material development. For his share in bringing about this growth the alumnae of Smith college will always hold Mr Williston in grateful memory.

2 WHEREAS, during the past year Mr Henry Noble MacCracken, professor of English language and literature, has left Smith college to become president of Vassar college, be it resolved that through its secretary the association express to Mr MacCracken its sense of the distinction conferred upon this college by his connection with it, and its regret that the connection could not be longer continued. During his professorship here Mr MacCracken won in a remarkable degree the liking and respect of the members of the college. Recognizing his fitness for the high office bestowed upon him, the alumnae of Smith college offer him their most cordial good wishes for success and happiness.

The following resolution was recommended by the Alumnae council and unanimously adopted:

RESOLVED: That the Alumnae association congratulate President Burton on his five years of successful administration and express to him for the alumnae their appreciation of his service to the college and their continued confidence in his policy.

The secretary reported that the council recommended to the Alumnae association for its consideration the Dix plan of reunions. The object of such a schedule is to arrange that each class shall hold its reunions with those of three other classes associated with it during the college course instead of, as at present, with strangers, and the advantage of the schedule is that at the end of a cycle of 19 years a class has held a reunion with each one of the six classes contemporary with it in college.

Upon motion duly seconded it was

Voted: That the president appoint a committee to work out a schedule of reunions according to the Dix plan to be presented to the Alumnae association for further consideration.

The president announced that any suggestion regarding commencement would be gratefully received by the council committee on commencement, Miss Marian Yeaw 11, chairman. She also announced that the program of the Alumnae rally, which had been interrupted by the meeting of the Alumnae association, would be completed in the evening directly after the college sing.

Miss Mary V. Thayer 90, chairman of the committee appointed by the council in February to consider the purchase of the Sophia Smith birthplace, reported on the work of the committee. She read a letter received from Dr John M. Greene in which he expressed the hope that the property would be acquired by the college since it was the birthplace not only of Sophia Smith but also of the idea of Smith college. Miss Smith lived in the house for 70 years. Extracts were also read from Miss Smith's journal telling her feelings on leaving the old home, and the alumnae heard a letter from President Burton saying that the college would be glad to receive the property as a gift and care for its maintenance. Four thousand dollars was named as the price for which the property could probably be bought, and a discussion of the practical and sentimental value of such a purchase followed.

Miss Winifred Notman 11 moved and the motion was seconded that the Alumnae association endorse the idea of purchasing the Sophia Smith birthplace and that the details of the purchase be left to the board of directors. The following amendment to the motion was moved and seconded.

That subscriptions for the purchase of the birthplace be solicited at once.

A rising vote was taken and the amendment was lost. The original motion was then put and carried.

The commencement marshal, Miss Elizabeth Fay Whitney 00, announced that all alumnae desiring to attend commencement should come to 10 Seelye hall at 9:40 Tuesday morning when the procession would form. Precedence would be given to reunion classes in order of seniority. Four hundred seats were reserved in the gallery for alumnae.

It was then announced that if subscriptions for the purchase of the Sophia Smith birthplace were solicited at once a member of the class of 95 would head the list with $500. Upon motion duly seconded it was voted to take five minutes to raise money for the purchase of the property. Over $4,000 was soon raised amid great applause.

The tentative budget sent with the call for the annual meeting was read by Miss Fuller, who explained that since the list of appropriations had been submitted to the alumnae the board of directors had voted to recommend that the salary of the general secretary be increased $100.

Voted: To accept the budget as read to include the increase of $100 in the general secretary's salary.

The president announced that a new alumnae song was needed and asked that the alumnae begin at once to submit compositions. It was suggested that copies of the song finally selected be sent to the alumnae with the call for the annual meeting.

The gifts of Mr C. N. Clark and Miss Martha Wilson 95 to the furnishing of the new alumnae offices were announced.

The secretary announced the report of the polling committee as follows:

President	Mrs Alice Lord Parsons 97	(Re-elected)
1st vice-president	Miss Eunice Wead 02	"
2d " "	Miss Helen C. Gross 05	
Secretary	Miss Marian C. Yeaw 11	"
Treasurer	Miss Grace P. Fuller 03	"

Both amendments to the constitution were adopted.

Voted: That the thanks of the association be expressed to Mrs Thayer, the retiring first vice-president, for her faithful and valued services.

Upon motion the meeting adjourned.

Attest:

MARIAN C. YEAW,
Secretary.

REPORT OF THE SECRETARY

June 14, 1915

The officers of the Alumnae association have three chief accomplishments to report as a result of the year's work:

1 The association offices, completely furnished, are located in College hall in quarters which the college generously offered and rearranged for us.

2 The new Alumnae council is organized and working along the most varied lines. It should be of the greatest value to the college and the alumnae.

3 The *Alumnae Register* contains a geographical list in addition to its usual information.

The new council is composed, according to the recommendations adopted last June, of the present alumnae trustees, former alumnae trustees, officers of the Alumnae association, the editor-in-chief of the *Alumnae Quarterly*, the general secretary of the Alumnae association, one delegate from each registered local association or club having a membership of at least 25 and an additional delegate from each association or club having a membership of more than 100, two councillors-at-large appointed by the board of directors, and the secretary of each class holding a formal reunion in the year of the council meeting. It is divided into twelve standing committees whose chairmen are councillors but whose membership is chosen from the general alumnae body. Almost every councillor serves on some committee. The committees deal with the following matters:

Finance—identical with the Alumnae fund committee.

Publicity—Miss Marguerite Wells 95, chairman. This committee proposes to build up a wholesome publicity about the college through the clubs and the press of the country, and where necessary to contradict false impressions and statements.

Preparatory schools—Miss Witham 95, chairman. The committee is considering:

1 The type of girl the preparatory school is sending to Smith—her scholarship and personality.

2 The question of entrance by examination or by certificate.

3 The problem of freshman work in college.

4 The advisability of limiting the number of students at Smith.

Curriculum—Mrs Helen Rand Thayer 84, chairman. This committee will undertake to inform the alumnae about the new curriculum.

Class organization and records—Miss Ruth B. Franklin 85, chairman. This committee is working on the adoption of a uniform constitution by all classes and a standardization of the class methods of keeping records. It also calls to the attention of the council and Alumnae association the Dix plan of reunions which is being considered by many colleges.

Graduate work—Miss Mary W. Calkins 85, chairman.

Alumnae publications—Miss Edith Hill 03, chairman. This committee will assist Miss Nina Browne with the work she does for the Alumnae association.

Statistics—Miss Helen Perkins 94, chairman. The collecting of general statistics and any for which there is special need will be its work.

Commencement—Miss Marian Yeaw 11, chairman. This committee will attempt to solve any problems that arise about the arrangements for commencement.

Local clubs—Mrs Elizabeth Lawrence Clarke 83, chairman. This committee will serve as a clearing house for any information the local clubs may need. It will also undertake the organization of new clubs.

Vocations—Miss Bertha Bardeen 95, chairman. Two lines of work are suggested for this committee. First, that it make as complete a bibliography as possible of books or pamphlets now available in printed form which concern occupations open to women other than teaching and begin a series of publications dealing with live vocational problems affecting women. Second, that it make an intensive study of some occupation or occupations open to women concerning which there are as yet no published records.

Undergraduate interests—Mrs Lucia Clapp Noyes 81, chairman. This committee will deal with the problems directly affecting the student body.

The council has held two sessions: the first in February when it visited Northampton as the guest of the college in place of the former Committee of five, and had a most interesting series of conferences, and the second on June 12. Reports of the conferences were sent to all the local clubs and published in the *Quarterly* for April.

The council appointed a committee in February to investigate the advisability of securing the birthplace of Miss Sophia Smith in Hatfield for the college. The committee is composed of the following: Miss Mary Thayer 90, chairman, Mrs Kate Morris Cone 79, Miss Marguerite Wells 95, Miss Florence Snow 04, Miss Helen Bruce Story 00.

Two new branches, one in Bridgeport and the other in Nebraska, have been added to our list of local clubs.

The board of directors have held nine meetings and the following appointments have been made:

Nominating Committee:
Miss Eunice Wead 02 *ex-officio*, chairman
Miss Eleanor Lord 87
Miss Elizabeth Bryan 09

2 To the Alumnae fund committee for the term ending 1919:
Mrs Eleanor Cutler Daggett 92

3 Committee to prepare constitution for council:
Dr Alice Tallant 97, chairman
Dr Gertrude Walker 85
Miss Vida Francis 92

4 To the committee to prepare an amendment to By-law XI, section 4:
Miss Marian C. Yeaw 11

5 Quinquennial committee:
Miss Florence Snow 04, chairman
Miss Elizabeth Mann 95
Mrs Agnes Childs Hinckley 01
Miss Florence Root 06

6 Councillors-at-large:
Miss Helen Gross 05
Miss Mason Montgomery 07

7 Polling committee for election of officers:
Miss Helen Choate 04, chief telle
Miss Helen Story 00
Miss Rose Hinckley 95

8 Parade committee:
Miss Helen Gross 05 chairman
Mrs Marion True Redfern 00
Miss Fanny Hazen 00
Mrs Ruth Paine Blodgett 12
Miss Anna Pillsbury 14

9 Commencement marshal:
Miss Elizabeth Fay Whitney C

10 Resolutions:
Miss Ada Comstock 97
Mrs Lucy Wright Pearson 86
Miss Sophia Smith 13

In March Miss Katharine D. Hinman 08 was appointed to the *Quarterly* board to take the place of Miss Gertrude Bussard 09 resigned.

Ballots were sent out in the fall containing nominees for the councillors and delegates to the A. C. A. convention to be held in San Francisco, August 16-23.

The board of directors also prepared an amendment to article XI, section 3 of the by-laws which was submitted to the association with the call for the annual meeting.

Respectfully submitted,

MARIAN C. YEAW,

Secretary.

GRACE PIERPONT FULLER, *Treasurer.*

NORTHAMPTON, MASS., June 12, 1915.

TO WHOM IT MAY CONCERN:

I hereby certify that I have this day made an examination of the books and vouchers of the treasurer of the Alumnae association of Smith college for the year ending June 15, 1915, and have found them to be correct.

Yours respectfully,

FREDERIC A. PELTON, *Auditor.*

REPORT OF THE ALUMNAE TRUSTEES

Presented at the Meeting of the Alumnae Association June 14, 1915

The full and interesting report of the meeting of the enlarged Alumnae council in Northampton last February has doubtless been read by you all, and covers so completely the recent developments in the college that it leaves little for the alumnae trustees to add. One subject which was not mentioned in that report has however engaged their attention, namely the question of the advisability of some limitation in the size of the college. The general feeling of the alumnae trustees is in favor of such a limitation, but they realize not only that there is great difference of opinion as to the desirability of setting a limit to the growth of the college, but that the methods of accomplishing it require very careful consideration. They will welcome any expression of opinion on this subject by individual alumnae or by the association as a whole.

The retirement of Mrs Noyes after a service of seven years as alumnae trustee is a great loss to the board. Throughout her term she has made frequent visits to the college in addition to her attendance at trustee meetings, has given freely of her time and strength and wisdom to its service, and as chairman of the committee on college houses she has initiated many of the changes which have resulted in increased efficiency.

The coöperative plan at Lawrence house is no longer an experiment, but an assured success.

After the resignation of Miss Turner, Mrs Burrell of Tyler house was made assistant to Mr Clark in coöperative buying.

The need of additional dormitories becomes more urgent each year. With room for only 794 girls out of 1638 in college houses it is impossible for the college to exercise the proper supervision over its students. Such conditions lay an added burden on the shoulders of the dean, and it is our good fortune that we have a dean who can cope with the situation so successfully.

The alumnae trustees do not wish to lose any opportunity to express to you their pride and pleasure in representing you on the board of trustees. The intimate knowledge they thereby gain of the college increases their belief in its ideals and the means it takes to attain those ideals, and they are thankful for the opportunity to give any service in their power to the college.

ELISA MAY WILLARD,
For the alumnae trustees.

REPORT OF LOCAL ASSOCIATIONS FOR 1914-15

Berkshire County

Fee $0.50 Meets at call of the executive committee

This club was organized June 6, 1914, and has therefore only just completed its first year. It has held two business meetings and one, part business and social, at Miss Hall's school. The membership is so scattered north and south

through the county that frequent meetings will be impossible but the club has about 50 members enrolled and starts with much enthusiasm. A scholarship committee has been appointed and the club hopes soon to raise at least a part scholarship for some girl from this county. At the luncheon held May 15 Miss Dawes and Miss Caverno were the guests, Miss Caverno speaking on College News and its Dissemination.

Boston

Fee $0.50 Meets, practically monthly, at call of board of managers

During 1914-15 the membership was about 560. The club varied its program the past year by inviting the president of the student council to speak at one of its meetings, as well as by changing the date of its luncheon to the spring recess. To this luncheon the undergraduates were invited, many of whom came and pronounced themselves "reconciled to the thought of becoming alumnae when they saw what good times might be had." In the hope of securing a larger attendance at the annual business meeting it was announced that there would also be a discussion on the topic: "Some criticisms we hear of Smith college and alumnae."

Bridgeport

Fee $0.50 Meets five times at call of executive committee

The Bridgeport club was organized in December 1914 and has held four meetings. Two of the meetings were taken up with the details of organization, but during the Easter holidays a meeting was held to which the undergraduates were invited and a report was given by the councillor; the remaining meeting was the annual meeting, held in accordance with the by-laws of the Alumnae association in May, at which officers were elected for the coming year. The club closes its six months of existence with a membership of 25.

Brooklyn

Fee $0.50 Meets the second Friday of each month

Membership 45. The monthly meetings have been informal and social and college news has been given, with readings from college publications. On April 6 the club gave a reception to the undergraduates.

Buffalo

Fee $1.00 Meets at call of the executive committee five or six times a year

With a membership of 79 the club has held one business and five social meetings. At each social meeting some of the members who had not the possibility of entertaining the club in their own homes joined the hostess in receiving and entertaining, which contributed to a larger social feeling. At three of the meetings talks were given as follows: President Woolley on The Practical Value of a College Education; Mr Raymond Fosdick, informally, on Police Departments, and Miss Ethel de Long about her work in the Pine Mountain Settlement school. The other meetings were devoted to a musicale and an entertainment by the members' glee club.

Chicago

Fee $1.00 Christmas luncheon and at least three meetings

The membership is about 350. The main energy of the club the past year has been given to completing the club pledge to the $1,000,000 fund. This pledge campaign included a garden party given by the Evanston circle and the field day which the club held on May 22 at Ranier Park. At the Christmas luncheon the club entertained Dean Comstock and Miss Witham from Kansas City. An informal debate was held on the subject of introducing household economics in the college curriculum, and Miss Comstock gave the club many items of college news. In April a joint meeting and luncheon was held with the Chicago branch of the A. C. A. at which Miss Ethel de Long spoke on The Outpost of Civilization.

Cincinnati

Fee $0.50 Meets three times a year

The club now has a membership of 33. This year the club has been able to give its first contribution to the Alumnae fund, but most of the club dues are spent in paying the traveling expenses of some member of the faculty invited to visit and speak to the club.

Cleveland

Fee $1.00 Annual business meeting in May and Christmas luncheon. Others at call of executive committee

During the year the club has held its stated meetings in May and December and ten informal meetings at the homes of members. At these meetings sewing has been done for local charitable organizations and also articles made which are to be sold and the proceeds devoted in some way to the college. The club registration shows 152 members in and near the city, 91 of these being alumnae, the others nongraduates, but the average attendance has only been about 30, and notices are sent to 85 as the others do not respond.

Colorado

Fee $0.25 Meets first Friday of November and February, and business meeting in spring

The club has a membership of 25, 18 of these being alumnae. The seventh year of the club's existence was marked by the visit of President and Mrs Burton whom the members had an opportunity to meet informally at Miss Vaille's school. During the visit President Burton spoke to the students at one of the high schools and at the Wolcott school for girls. The Colorado branch of the A. C. A. gave a luncheon to which various educators of the state were invited to meet President and Mrs. Burton. Though heretofore the club has been purely social it is hoped that with the encouragement of this visit enthusiasm has been so increased as soon to make possible some active work for the college.

Columbus

The club has met only once during the year, when it gave a luncheon in honor of Dean Comstock during the Christmas holidays. After the luncheon a reception was held at the home of the president, Mrs Shedd. Membership 20 graduates, 8 nongraduates.

Detroit

Fee $0.75 Meets third Saturday of each month

With a membership of 21, the membership committee is making appeals to the few remaining persons who are eligible to membership to join so that in the coming year the club may be entitled to a councillor. For the first time the club has held meetings every month, instead of only two stated meetings, and the result has been satisfactory and encouraging. The work of the club for the year was for the benefit of a local charity, a definite object which appealed to the members. The Detroit branch of the A. C. A. entertained the high school girls of the city on one afternoon and the club had a very successful "Smith booth."

Fitchburg

Fee $0.50 Meets October and May and at call of executive committee

The club numbers about 40. In addition to the annual picnic there have been three regular meetings and two other gatherings. In October a luncheon was given for President Burton, on which occasion he spoke of the beneficial effects of the $1,000,000 fund and the urgent present needs of the college. In April the club entertained Dean Comstock and the president of the student council at a meeting to which were invited the girls taking college courses in the high schools of Fitchburg and the vicinity. The two talks gave many practicable and enjoyable points on college life. The club still maintains its scholarship for a Fitchburg student.

Gloucester

The club has held no meeting during the year.

Hartford

Fee $1.00 Meets at call of executive committee

During the year seven meetings have been held. The membership is now 111. At three of the meetings talks were given by alumnae: Miss Hirth 05 on the New York Bureau of occupations, Miss Florence Johnson 97 on Social Service Work at the Harlem Hospital, and Mrs Parsons on the interests of the Alumnae association. Miss Hanscom was the guest of honor at the "Poverty Party" held in place of the winter luncheon, which proved very successful. Each member brought her own luncheon as well as fifty cents which money financed the program committee for the year.

Indiana

Fee $0.50 Meets monthly

The registration the past year shows 26 alumnae and 14 nongraduates. The monthly meetings, which are purely social, are held at the homes of members, with the exception of the Christmas luncheon which is the main feature of the year. The club has sent a donation to the Pine Mountain Settlement school and plans to make articles for the school at the meetings held through next year.

Japan

Meets annually in August

The club has a varying membership of 12 or 13, about eight are able to meet once in the year, at the time of the summer vacation when a luncheon is held, and each one contributes any college news learned during the year. This year the club will miss a number of members who will be in America on furlough, but the club will profit from the renewed stimulus which it will gain on their return, as at least two were at the commencement exercises and others hope to be at the college during the year. Although the club is so small, a contribution of five dollars has been sent to the Alumnae fund.

Kansas City

Fee $0.25 Meets at call of president

Since its reorganization in 1914 the club has grown to a membership of 46. In November a large reception was held in honor of President and Mrs Burton, and as a result of the stimulus afforded by their visit, in December the club voted to join the Alumnae association. The councillor attended the February meeting of the enlarged council and at the May meeting gave a very interesting report of the three-day session.

Minneapolis and St Paul

Fee $1.00 Meets three times a year

At the regular Christmas luncheon Professor Bassett was the guest of honor and speaker. Unfortunately fewer than half of the club members were present. In January a special meeting was held to consider the ways and means of sending a councillor to the February council meeting at college. A committee of 15 has been investigating philanthropic work for the club. The club needs some definite object to hold the members together, something which can bring out the true college spirit better than a mere business meeting and luncheon. Membership 110.

Nebraska

Fee $0.50 Meets at call of executive committee

The club has gained seven members during the year, so that the membership is 28 and the club is entitled to a councillor. Five business and two social meetings have been held during the year. In November the club was honored by a visit from President and Mrs Burton, whom the club members were fortunately able to meet informally at a dinner and in the evening at the home of Mrs Scott. At the University club the President spoke to about a hundred, members of the club and their friends, on The Meaning of a College Education to a Woman; and the next day he spoke to a large gathering at the Commercial club on Loyalty.

The members of the club assisted the local branch of the A. C. A. in collecting articles for the Christmas ship sent to the war sufferers. The club has tried this year to interest the high school girls in Smith, through the medium of their literary societies and has helped them to prepare papers on the college for some of their meetings.

The club holds its annual meeting and luncheon in May, and to this invites the girls who are expecting to enter Smith in the following fall.

New Haven

Fee $0.50 Meets October and May and at call of executive committee

The New Haven club has had three meetings in the past year. The annual business meeting was held on November 1, 1914, with Professor John Spencer Bassett, head of the history department at Smith, as speaker. The club voted to give to the Alumnae fund, without restrictions, the surplus in its treasury, amounting to twenty dollars. Attendance 30.

A business meeting was held on March 28 at which the club voted its approval of the amendment of Article XI, Section 3, of the by-laws of the Alumnae association, concerning the election of officers of local clubs and branches. Miss Ethel deLong 01 was the speaker at this meeting. Attendance 50.

The annual luncheon was held on May 22, with Professor Alfred Vance Churchill of the art department at Smith as speaker. Attendance 35.

The club has lost a few members this year by reason of the establishment of the Bridgeport club, but it has gained enough new members to make up the difference, the registration showing 65 alumnae and 15 nongraduates.

New York

Fee $2.00 Meets at least five times at call of executive committee

The Smith club of New York has had five regular meetings, the usual luncheon, and one evening open meeting.

The regular meetings have been well attended, showing that the rule of requiring all present to show membership tickets has not been a deterrent, and the programs have at each meeting been received with interest.

The October meeting held at St Agatha took the form of a welcoming party for Smith alumnae who did not belong to the club and especially to 1914. The attraction offered was a basket-ball game between the Odds and Evens.

The December meeting held also at St Agatha was well attended. The program consisted of music and reading by Miss Blanche Goode of the faculty at Smith, and Elsie Kearns 06.

At the January meeting some of the members presented Tagore's drama, Chitra.

The annual luncheon although on the stormiest Saturday of the winter was a success. Three hundred and five were present and President Burton was even more inspiring than usual. The guests were President and Mrs Burton, Professor and Mrs John Clarke, and Mr and Mrs Thomas Lamont.

At the open meeting, on the evening of February 25, in the auditorium of the Engineering society, Alfred Noyes read several of his poems in his inimitable way. The club voted to give $750 to the Intercollegiate bureau of occupations as last year.

The registration for the year shows 524 members: 446 graduate, and 78 nongraduate.

Northern California

Fee $0.50 Meets fall and spring and at call of executive committee

The club has about 50 members, 14 of whom are nongraduates. In November the club entertained President and Mrs Burton at a luncheon at which about 30 members were present. In May a luncheon was given in honor of

Miss Elisa M. Willard. During the year the club's activities have centered about the Smith college exhibit at the Panama-Pacific exposition. On March 27 the Smith college booth was opened with appropriate dedicatory exercises, followed by a luncheon at the Massachusetts building. Invitations were sent to the pupils of the girls' schools in and around San Francisco to visit the Smith college booth on the Saturdays in May. Committees were appointed to receive the girls and their mothers and to explain the exhibit.

Philadelphia

Fee $1.00 Meets third Wednesday of each month

During the year seven regular meetings were held and the annual luncheon and a tea during the spring recess for undergraduates. In November Dean Comstock was the guest and gave an interesting account of current events at college. At the Christmas party a mock auction of toys was held and the toys were later given to the Children's bureau. In January Mrs Webb presented the cause of the Students' aid society, being followed in February by Miss Lazard 11, the present recipient of the Students' aid fellowship. The proceeds of the play, Seven Keys to Baldpate, given in March were divided between the Students' aid and the Bureau of occupations. President Burton was the guest of honor and speaker at the annual spring luncheon. Membership nearly 100.

Pittsburgh

Fee $1.00 Meets October and May and at call of executive committee

There have been six regular meetings during the year. At the annual Christmas luncheon Mr Welch of the music department of the college was the guest of honor. In the spring at the inauguration of the president of the Pennsylvania college for women Miss Jordan represented Smith, and was the guest of honor at the Smith table at the banquet. The annual business meeting was held at the Pennsylvania college with Dean Coolidge as hostess. Membership 67.

Portland, Ore.

Fee "as assessed" Meets four times a year

The Smith club of Portland, Oregon, was organized August 8, 1914. From the dozen members then present the club has grown to 21, five being nongraduates. As the club has been organized largely for social purposes, there is no definite fee, but assessment is made as necessary. The club is to meet at the University club for its annual luncheon, the other three meetings are held at the homes of members.

Rhode Island

Fee $0.50 Meets annually and at call of executive committee

The registration shows 51 alumnae and 4 nongraduates. In January Miss Jordan was the guest of honor at a luncheon and gave an interesting talk on college activities. Much interest was shown in an alumnae intercollegiate spelling match held in April. Picked teams, of four members each, represented Mt Holyoke, Radcliffe, Smith and Wellesley; that of Smith being victorious. The annual picnic was this year held at Newport, the members being entertained by Miss S. Alice Brown at her new school "Tolethorpe."

Rochester

Fee $1.00 Meets first Monday of every month

The registration shows 63 members, 45 of them being alumnae. In April the club had the privilege of entertaining President Burton at luncheon. At the May meeting the club voted to give a half scholarship to a senior from Rochester. The club has never before raised any scholarship fund but hopes that it may be able to offer at least a half scholarship yearly hereafter.

St Louis

The activities of the club have been of a purely social nature. In October an informal tea was held at the home of the secretary. In April the members of the club were fortunate in having President MacCracken as their guest at a formal tea, to which the members of the Vassar club and the College club were invited. President MacCracken spoke on Present Tendencies in Women's Colleges. The annual business meeting and luncheon was held in May. Membership for the year was 82, 30 of this number being nongraduates.

Southern California

Fee $0.75 Meets usually three times a year

Membership 81, of these 14 are nongraduates. The usual fall and winter meetings were this year combined into a luncheon and reception given in November in honor of President and Mrs Burton. At the luncheon only club members, about 75, were present, and President Burton spoke informally on college affairs. About 200 persons interested in education were invited to the reception and were pleased at the opportunity to hear and to meet President Burton. The teachers and pupils of many of the schools, both public and private, also had the opportunity of hearing the president, while he was in Los Angeles and Pasadena. In May the annual business meeting and picnic luncheon was held at Altadena with Mrs Lawrence Burck as hostess.

Syracuse

Fee $1.00 Meets monthly

During 1914-15 the club did away with the plan of formal meetings, and substituted an informal monthly luncheon. On the first Saturday of each month it was understood that there was a "Smith table" at the "Wolcott" where any Smith alumna was welcome. One club member was appointed hostess for each occasion and was to some degree responsible for bringing out discussion on some point of college interest. The club has given no entertainment during the year but has had four photographs of the college campus framed and presented to the three high schools and one large private school. Membership about 50.

Vermont

Fee $0.50 Meets annually. Local meetings at call of officers

The Smith association of Vermont was organized June 17, 1914, and completes its first year with 24 graduate and nine nongraduate members. In July the president, Mrs Cone, received members of the club at her home in Hartford. In February the president and councillor attended the council meeting at college. In May Mrs Cone reported the council meeting to groups of alumnae in Burlington, St Johnsbury, Brattleboro and Bellows Falls.

Washington D. C.

Fee $0.50 Meets three times a year

The Washington Smith club has 65 members, seven of whom are nongraduates and three graduates of the Art or Music schools. The club has held three meetings this year. At the February meeting, held at the home of the president, Miss Elizabeth Bryan 09, Miss Czarnomska, formerly of the English department at Smith, was the speaker. In April the club met with Mrs Edith Willis Kauffmann 05 and heard a report of the council meeting from the alumnae councillor, Miss Edith Goode 04. The third meeting, the annual May meeting for the election of officers, took the form of a picnic.

Western Massachusetts

Fee $0.50 Meets three times a year, at call of executive committee

During the year the club has lost some members by reason of the formation of the Berkshire County club but 19 additional names bring the membership to 175. The annual meeting has always been held in October but this will be changed next year. This year it was held at the Alumnae house in Northampton together with a luncheon. In January the Springfield members entertained the association at the Woman's club. President Burton and MacGregor Jenkins of the *Atlantic Monthly* were the speakers. On April 19th a concert was given by Fritz Kreisler in John M. Greene hall, from which the club realized over $1000.

Western Washington

Fee $0.50 Meets third Saturday January, April, July, October

The club membership this year has been about 55 with 10 nongraduates. The January and October meetings are largely given up to business, the April meeting to a luncheon, the July to a picnic. During the year the club has given two very successful bazaars to raise money for the $1,000,000 fund, and had the privilege of entertaining President and Mrs Burton in November.

Winchester

Fee $0.50 Meets twice a year

The usual two meetings of the club were held with speakers and informal discussion of modern reform movements. A picture of the college campus has been framed and presented to the high school. The councillor was present at the February meeting in Northampton. The club has 25 members.

Worcester

Fee $1.00 Meets three times a year

The club has 97 active members. In November Professor Kimball addressed the club, the Christmas meeting was a reception as usual for the undergraduates, and at the April meeting Miss Caverno spoke on college events. At the May luncheon the club had the pleasure of entertaining President Seelye. Had it not been for the financial stress of this year the club would have given an entertainment for the scholarship fund. But in order to raise at least a small sum the customary luncheon was given up and a picnic substituted, the members contributing the usual luncheon price to the fund.

ANNOUNCEMENTS

Alumnae Quarterly

The Smith Alumnae Quarterly is published four times a year: November 15, February 15, April 25, July 25. The subscription price is $1.00 and should be sent to the business manager, Florence Homer Snow, at the office of the *Quarterly*, College hall, Northampton, Mass. All manuscripts and correspondence should be sent to the editor-in-chief, Edith N. Hill, College hall, Northampton, Mass. Correspondence in regard to advertisements should be sent to the advertising manager, Elizabeth Eddy, 30 State st., Boston.

College Pin

Alumnae desiring to procure college pins may send to Miss Mary Eastman, Smith college, for an order upon Tiffany & Co., who will forward the pin upon receipt of the order and the price of the pin. The price of the pin is $3.50, with full name and safety clasp.

College Rooms for Alumnae at Commencement

As usual, the available rooms in the college houses will be open to the alumnae at commencement. Members of the classes holding reunions should make applications for these rooms through their class secretaries, through whom also payment should be made. Rooms will be assigned to as many of the reuniting classes as possible in the order of their seniority. For the five days or less time the price of board and room will be five dollars. Alumnae to whom assignments are made will be held responsible for the full payment unless notice of withdrawal is sent to the class secretary before June 1. After June 1, notices of withdrawal and requests for rooms should be sent directly to Dean Comstock. At this time any vacancies left by the reuniting classes will be assigned to members of the classes not holding reunions, in the order in which the applications have been received. So far as possible, alumnae who expect to be present for only a day or two should engage places off the campus, reserving the campus rooms for alumnae who remain during the whole or the greater part of the commencement period.

Secretaries of the reuniting classes and members of classes not holding reunions should make applications as early as possible to Dean Ada L. Comstock, College hall. It will be taken for granted that class secretaries who have not been heard from by March 1 do not wish to reserve campus places for their classmates.

Form of Bequest

I hereby give and bequeath to the Alumnae association of Smith college, a Massachusetts corporation, the sum of.....dollars, to be used for the purposes of the said association.

EXPLANATORY NOTE

Life members of the Alumnae association are indicated by superior *l* after surnames, non-members by superior *n*; the others in the class lists are annual members.

In the list of music and art graduates and nongraduates the class connection is given whenever it is known. Superior *a* before the name indicates an associate member.

When the name of the state is omitted Massachusetts is to be understood. All other states are given except in the case of New York City, which is written simply New York.

Names of deceased are marked with a *.

"Ent. fr." for "entered from" is used before the address taken from a college catalog, when no more recent address has been obtainable.

"S.C.A.C.W." is an abbreviation for Smith college association for Christian work, "b." for born, "d." for died, "m." for married.

When the figures "13-14", "14-15", etc. are used, the school or college year is implied. A dash after the last figure indicates that the occupation is continuing.

Names are given in the form used while in college with later forms in brackets.

In state and city universities the name of the state follows the word university and the name of the city precedes it.

At the end of each class is given the number in the class and the number deceased.
